Case No. 3:10-cv-01501-JCS

**Joint Case Management Report  
and Stipulated Request for  
Order Granting Stay**

1 Plaintiffs Center for Biological Diversity, Sierra Forest Legacy, Environmental Protection  
 2 Information Center, and Klamath-Siskiyou Wildlands Center (“Plaintiffs”), and Defendants Ken  
 3 Salazar, Rowan Gould, and the U.S. Fish and Wildlife Service (“Defendants”) herein report on  
 4 the status of this action and respectfully request pursuant to Civil Local Rule (“Civ. L.R.”) 6-2  
 5 that the Court enter a motion staying this litigation for 45 days pending settlement negotiations  
 6 between the Plaintiffs and Defendants (collectively, “Parties”). The Parties also request that the  
 7 Court vacate the case management conference currently set for March 11, 2011 at 1:30 p.m.

### 8 BACKGROUND

9 On December 15, 2010, the Court issued a Further Case Management and Pretrial Order  
 10 (“Case Management Order”) (Docket No. 36) requiring the Defendants to file by December 7,  
 11 2010 the administrative records for the 2004-2008 findings challenged by Plaintiffs. The  
 12 Defendants filed these administrative records on December 7, 2010. *See* Docket Nos. 33, 34.  
 13 The Case Management Order further provided for the following briefing schedule:

<u>Event</u>	<u>Date</u>
15 Plaintiffs to file any motion concerning 16 the sufficiency or content of the 2004- 2008 administrative records.	February 7, 2011 (i.e. 60 days after filing of the 2004-2008 administrative records).
17 Plaintiffs’ opening summary judgment 18 brief.	March 9, 2011 (i.e. 30 days after the deadline for motions concerning the sufficiency or content of the administrative records).
19 Defendants’ combined summary 20 judgment opposition and cross-motion.	30 days after Plaintiffs’ opening brief.
21 Plaintiffs’ combined opposition/reply.	30 days after Defendants’ main brief.
22 Defendants to file reply.	21 days after Plaintiffs’ combined opposition/reply.

23 In addition, the Case Management Order called for the Parties to file an updated joint case  
 24 management statement by March 4, 2011, and set a case management conference for March 11,  
 25 2011 at 1:30 p.m.

## 1 STATUS REPORT AND STIPULATION REGARDING STAY

2 The Parties are now engaged in settlement negotiations that may render further litigation  
3 unnecessary. Therefore, judicial economy would best be served by a stay. The Parties therefore  
4 request and stipulate to a stay of any further proceedings for 45 days, and agree to file a joint  
5 status report on or before April 18, 2011, advising the Court of the status of their settlement  
6 discussions and describing whether additional time is needed to complete settlement, or whether  
7 a new briefing schedule and hearing date should be set. The Parties also request that the Court  
8 vacate the March 11, 2011 case management conference and the other litigation deadlines  
9 described above.

10 For the reasons stated above, the Parties therefore respectfully request that the Court enter  
11 an order staying the briefing schedule, vacating the March 11, 2011 case management  
12 conference, and adopting the schedule set forth in this stipulation.

13  
14 Respectfully submitted this 3rd day of March, 2011.
